#### **CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS**

This report includes forward-looking statements, which include, without limitation, any statements preceded by, followed by or that include the words “may”, “will”, “would”, “should”, “expect”, “intend”, “estimate”, “forecast”, “anticipate”, “project”, “believe”, “seek”, “plan”, “predict”, “continue”, “commit”, “undertaking” and similar expressions or their negatives. Such forward-looking statements involve known and unknown risks, uncertainties and other important factors beyond the Group’s control that could cause its actual results, performance or achievements to be materially different from future results, performance or achievements expressed or implied by such forward-looking statements.

Such forward-looking statements are based on numerous assumptions regarding the Group’s present and future business strategies and the environment in which the Group will operate in the future and should not be taken as promises.

Reviewing forward-looking statements should carefully consider the foregoing remarks and other uncertainties and events, especially in light of the political, economic, social and legal environment in which the Group operates. Forward-looking statements contained in this report are valid only as at the date of this report. The Group expressly disclaims any obligation or undertaking to disseminate any updates or revisions to any forward-looking statements contained herein to reflect any change in the Group’s expectations with regard thereto or any change in events, conditions or circumstances on which any of such statements are based unless required to do so by any applicable regulatory regime.
